Names of contributors may be entered either in alphabetical order, or, if preferred, by consecutive numerical system.

Where Index Space is insufficient continue under letters not in use.

Write envelope number above each name, also telephone number, if member has one.

Opposite each square containing name and residence, place *amount pledged for current expenses*, and in lower half of square *amount pledged for benevolences*, giving date when pledged, *weekly, monthly or quarterly*.

All benevolences should be entered with red ink.

Sundays are specified in each month, therefore no dates are required. Remember that *some months* have but *four* Sundays to the month.

When a sum is paid, insert it in its place. If *monthly or quarterly*, one space only is necessary.

Sum Up By Quarters, 1st, 2nd, 3rd, etc., then forward under quarterly account, giving total for the year.

Beginning with the church year, if desired, write names of months above 1st month, 2nd, 3rd, 4th, etc.

Under Remarks, the continued lines may be used for any *sum totals* desired, or *items* concerning account, pew numbers, etc.

Under Cash Received, enter *special* and basket offerings, proceeds of concerts, entertainments, Sunday School apportionments, miscellaneous, etc. These items *enter separately*, giving total of each.

Under Cash Disbursed, enter all expenditures, such as fuel, light, insurance, etc.

On pages **Cash Disbursed** and **Cash Received**, the blank spaces above total sections may be filled out to suit the treasurer.

Under Individual Ledger Accounts, enter personal separate accounts with *pastor, janitor, organist* and others, using the left side of page to enter total amount to be paid for the year, and upon the right side, the amount paid during each month.

Quarterly Reports of Receipt and disbursement pages, annual report pages, also memoranda, are sufficiently explanatory of themselves.

The advantages of this record are:

- 1st. Record of each account, individually, is kept on the one page for the entire year.
- 2nd. Its simplicity commends itself to all who dislike "red tape."
- 3rd. It is practical, and a standard of accurate business form wherever double weekly collections are taken.
